THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Goshen in the County of Sullivan, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall, in said Goshen on Tuesday, the 14th day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

ARTICLE 1. To choose all necessary Town officers for the year ensuing.

ARTICLE 2. To hear the reports of Selectmen and other Town officers heretofore chosen and pass any vote relating thereto.

ARTICLE 3. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

ARTICLE 4. To raise and appropriate such sums of money as may be necessary for repairs on Highways and Bridges.

ARTICLE 5. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money in anticipation of taxes.

ARTICLE 6. To see what sum of money the Town will vote to raise and appropriate for the Library.

ARTICLE 7. To see what sum of money the Town will vote to raise and appropriate for Old Age Assistance.

ARTICLE 8. To see what sum of money the Town will vote to raise and appropriate for Town Poor.

ARTICLE 9. To see if the Town will vote to raise the sum of \$393.00 and the State will contribute \$1,000.00 for State Aid construction.

ARTICLE 10. To see if the Town will vote to raise the sum of \$1,000.00 and the State will contribute \$2,000.00 for State Aid Bridge.

ARTICLE 11. To see if the Town will vote to sand roads and raise and appropriate the money therefor.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum of money for the Fire Department.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$24.00 in cooperation with other Towns in the Dartmouth-Lake Sunapee region.

ARTICLE 14. To see what sum of money the Town will vote and appropriate for Snow Removal.

ARTICLE 15. To see what sum of money the Town will vote to raise and appropriate for further construction of road leading to Rands Pond.

REPORT OF FOREST FIRE WARDEN

Crises like the present test the quality and sincerity of everyone's patriotism and citizenship. The times make such unavoidable demands for universal cooperation in the many lines of essential regular and emergency public endeavor that the response given may well be assumed to be the real measure of one's love of country and his appreciation of the opportunities it offers. Ranking high in the list of public endeavor is the protection of our forests from fire. It calls for full and generous cooperation by each of us. Fire statistics indicate that better than 98 per cent of all fires in New Hampshire are man-caused. If human carelessness could be eliminated from the problem, the number of fires would drop to a mere minimum of less than 2 per cent of present figures and fire costs and losses would reduce in proportion. While this goal will not be achieved because of the perversity of human nature, the record can be vastly improved through individual discipline, alertness and cooperation.

Discipline calls for personal restraint from following unrestricted natural impulses to do as one pleases with regard to fire; alertness in cautioning others against imprudent and illegal burning and in promptly reporting fires to the local forest fire warden; cooperation in complying with laws, rules, and regulations governing the kindling and care of fires, smoking, safety of mechanical units using fire in and near woodlands and assisting the local warden in extinguishing such fires as may occur.

The possibilities of disastrous and expensive woods fires are constantly becoming more real. The hurricane felled an estimated one and one-half billion board feet of standing timber, much of which was never cleaned up. To this hazard has been and is being added extensive areas of slash from additional hundreds of millions cut to produce vitally needed wood for the war effort. With the stage so set, greater caution is increasingly necessary. It will pay substantial dividends in unburned forest areas and the saving of unnecessary fire expense.

The year 1943 was an extremely fortunate one because of favorable weather conditions. Many towns had no fires, some had minor fires while a few had expensive ones. The public con-

trols the answer to the 1944 and future years' fire records. If the public is careful and cooperative the record will be good.

Your town warden is, perhaps, more perplexed and anxious during these war years than ever before because of increased forest fire hazards and diminishing supplies of available manpower. He looks directly to you to aid him. Will you? You can aid him most effectively by always securing the required permit before attempting to burn and by complying fully with permit requirements; by being patient when he advises of departmental restrictions on permit burning or that he deems it unsafe to burn; and by giving him the needed assistance in extinguishing fires when he needs your help. To do so is to meet one real test of citizenship.

Forest Fire Warden.

DARTMOUTH-LAKE SUNAPEE REGION

The Legislature of 1937 authorized the establishment of six Regions, each comprising a group of towns suggested by the State Planning and Development Commission. The Dartmouth-Lake Sunapee Region comprises this town and 37 others in this section of the state. The Region is incorporated as a non-profit corporation and its affairs are supervised by a group of officers chosen annually. The Region employs a full time secretary who is paid by the state (not by the towns). Thus your Region is a set-up established by law and the matter of whether or not it has sufficient financial support to render real service to your community rests with the voters of the towns. During its existence the Dartmouth-Lake Sunapee Region can point to the following accomplishments. Through the publicity it has issued it has brought visitors to every town, some have established summer homes and others have become permanent residents. It has been instrumental in bringing industries to several towns. It has inaugurated plans that have saved historic landmarks. It has sponsored paying summer attractions. It has been active in bringing about a survey of our mineral resources that has resulted in revenue to many towns and has conducted studies of new agricultural products.

By an appropriation not exceeding 1/100 of 1% of the assessed valuation the Region now asks the support of your town in continuing the program that has brought about the aforementioned results and to institute the following three projects which if carried through must result in added income to each of the 38 towns of the Region. (1) A research of the possibilities of establishing industries that will use as raw materials, minerals within our area and make a study of the feasibility of the production, processing and sale of several agricultural products that in the past have received but little attention. (2) To cooperate with each of the towns in preparing descriptive pamphlets showing the attractions, natural advantages and resources of the community with the idea of eventually incorporating such material into a book descriptive of the whole Region. (3) To establish a system of Recreation Trails following back highways and little used roads leading to scenic areas and desirable locations in each of the 38 towns in the Region. As it is

not proper to devote more space in your Town Report to this subject, details have been omitted, however, letters of inquiry regarding any matter here mentioned will be welcome and given careful reply. Address, Dartmouth-Lake Sunapee Region, New London, N. H.

REPORT OF THE SCHOOL DISTRICT

SCHOOL WARRANT

THE STATE OF NEWHAMPSHIRE

To the Inhabitants of the School District in the town of Goshen qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 14th day of March, 1944, at two o'clock in the afternoon, to act upon the following subjects:

ARTICLE 1. To choose a Moderator for the coming year.

ARTICLE 2. To choose a Clerk for the ensuing year.

ARTICLE 3. To choose a Member of the School Board for the ensuing three years.

ARTICLE 4. To choose a Treasurer for the ensuing year.

ARTICLE 5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

ARTICLE 6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

ARTICLE 7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

ARTICLE 8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

ARTICLE 9. To see if the District will raise and appropriate the sum of three hundred eighteen dollars and seventy-four cents (\$318.74) to balance the 1943-1944 Budget.

Given under our hands at said Goshen this 19th day of February, 1944.

LILLIE M. MELLEN,
IVAN E. SCRANTON,
School Board.

SUPERINTENDENT'S REPORT

To the Goshen School Board:

I herewith submit my annual report for the seventh year as your Superintendent of Schools.

The Mill Village School under the guidance of Mrs. Grace Scranton is continuing the pleasant and efficient work that has been noted by all visitors for a term of years. The children at this school have a wonderful opportunity and they seem to appreciate it.

Miss Esther O'Donnell taught the Corner School during the year ending in June 1943, but she did not care to accept her contract for this year. It seemed impossible to find regular teachers to open the rural schools in September, but just before school was to open we hired Mrs. C. Elizabeth Roberts of Washington, an experienced teacher for the Corner School. She resigned in December and substitutes continued with the work until Mrs. Arthur Nelson was hired as a regular teacher and took supervision of the school January 3. The substitutes were able, experienced teachers and they were very kind to do the work for us, but it is not good for children to have so many changes in teachers. I hope that we will be able to hold a regular teacher long enough to get this school established. There is one thing that can be said, the children are well behaved, study well, and I feel quite sure in time can make up any losses.

The teacher situation is really serious. While wages have been raised they do not meet the increases in taxes, board, etc. There are teachers who will take schools with single grades, not over twenty pupils, if they can have excellent board, a well heated room near the school, railroad station and bus line, paying high salaries, but good teachers, those who really live to teach children, who feel that they are doing their parts in these times of war and trouble are much harder to find than there were a few years ago.

The financial question is a troublesome one this year. The District needs extra money to finish this year's work and it will need a larger budget for next year. There will be increased costs in wood, salaries and supplies.

It is generally understood that the State pays expenses of maintaining the elementary schools over and above five mills on

equalized valuation, but it really doesn't work that way. I believe it would if the legislature appropriated enough to pay the bills. The State pays none of the costs to educate high school pupils such as tuition, transportation, books, etc. It will not pay for any elementary costs that she has not approved, and due to the small amount voted for that work by the legislature, it has to be hard sometimes. The State allows only \$5 per school for lights and less for transportation than the District must pay.

It would be a great help to equalize the cost of education if a law was passed providing up to \$1,500 to each District in the State to maintain a high school or to educate the high school pupils in other districts.

This is no time to build or repair anything not strictly necessary, but it would be well for the citizens of Goshen to discuss what plans they would like to carry out after this war is over. It would be cheaper for the District, better for the children and would stop much of the haggling with the State over transportation if both schools were in one building with plenty of room for play as well as work.

I wish to thank the teachers, members of the School Board, children and citizens for their patience during this year.

Respectfully submitted,

WALTER L. MASON,
Superintendent of Schools.

REPORT OF SCHOOL NURSE

January, 1943 to January, 1944

As school nurse of Goshen I submit the following report for the year ending January 31, 1944. Below is a summary of the defects found in the health inspection this year.

		Corrected	Treated
Defect Hearing	1		
Defect Vision	1	1	
Faulty Nutrition	3	2	
Defective Teeth, all pupils need dental care once yearly			
Enlarged Tonsils	2		
Poor Posture	3		
Defective Speech	2		

In January the Western Electric Audiometer was loaned by the State Board of Education, for use to check pupils' hearing scientifically.

There is enormous need of a dental clinic, especially for the children in the lower grades. Parents are urged to manifest interest and to contact the school board or the school nurse if you are interested and want good teeth for your children.

Respectfully submitted,

ZEPHYRINE L. HASHAM, R. N.
